Principal's Corner - 7 November 2013

Today we welcomed Liam Smith the South East Region, Assistant Regional Director to our school. He was here to conduct the Verification meeting which is the final step in the Quadrennial School Review process. At this meeting he noted the strengths of our school, the priorities and areas of focus for us in the next four years and signed off on our Strategic Plan. He was very complimentary of the work we are doing here at Thornlands and commends us on the strong collegial nature of our staff and the strong community support that we enjoy. **I would like to thank all of you, who offered us your feedback throughout this process.** After analysing and synthesizing all of the feedback from staff, parents and students the following was developed as **our new school Vision Statement**. It is based around the **six values** that emerged strongly as those which we as a school community aspire to: **Trust, Respect, Teamwork, Community, Inclusion and Excellence. The Vision Statement below will be on our school website in the near future.**

Thornlands State School Vision – Our Values in Action

(Excellence, Trust, Respect, Inclusion, Community, Teamwork)

EXCELLENCE *(Teamwork, Inclusion, Community, Trust, Respect)*

At Thornlands State School our Vision is MORE, Making Our Results Excellent. This reflects our high expectation for the success of all students and staff who we believe, can and should, achieve their full potential. This is achieved through our community, students, parents and staff, working together and being committed to our Thornlands State School vision.

We highly value opportunities for our community to engage, learn and achieve across the "pillars" of education; Academic, Sporting, Arts/Cultural , Social/Emotional and Community as we "Grow the

Whole Child". We embrace diversity and are inclusive of all, helping every student and staff member reach their full potential and excel to their personal best.

TRUST AND RESPECT (*Excellence, Inclusion, Teamwork, Community*)

As one of the oldest schools in the Redlands we are proud of our traditions, whilst at the same time reaching into the future to create a responsive curriculum, which prepares our children with lifelong skills. Students receive appropriate modeling and encouragement to demonstrate respect for and acceptance of a diverse range of learners and learning styles. As they engage in meaningful and purposeful learning they develop

trust that they will be supported and challenged to reach their full potential and achieve at or above National standards. Learning takes place across a range of settings and situations, enhanced by the use of digital technologies used to support learning and engagement. Students are encouraged and challenged to have high expectations and the motivation to succeed and to learn individually as well as collaboratively. We challenge students to take risks in their learning, to strive for improvement, to set personal goals and learn from their mistakes. Commitment, excellence and achievement are acknowledged and celebrated at all levels by our school community.

INCLUSION (*Excellence, Teamwork, Trust, Respect, Community*)

Data is used to drive decisions at whole school, class and student levels. Rigorous identification of differing needs and abilities is combined with effective intervention and evidence based, best practice teaching, including a range of extension programs to challenge our most capable learners. The teaching of Higher Order Thinking skills promotes the development of learners who question, have the curiosity to seek answers and can apply skills and knowledge in a diverse range of contexts. Personal learning goals are designed and developed collaboratively between teachers, students and parents and are a valuable resource to provide explicit feedback to enhance our learning at Thornlands State School.

COMMUNITY and TEAMWORK (*Excellence, Trust, Respect, Inclusion*)

Both our teaching and non-teaching staff are highly skilled and knowledgeable. We engage in ongoing professional development to further enhance our abilities and work collaboratively in strong teams which regularly plan, reflect and share together. In this way we learn from, and are led by each other, as we strive for our personal best. Hence, Thornlands State School is constantly building our school's capacity to achieve our vision as we engage in a consistent whole school approach to teaching, learning, assessing and reporting. We consistently draw on our collective strengths and continuously grow the professionalism and knowledge of our staff .

Thornlands State School is proud to enjoy a very positive reputation in the larger community and students come from a broad geographical area, attracted by our strong academic outcomes as well as our reputation for a positive, supportive and safe learning environment. Students are happy at

Thornlands State School, enjoying a sense of achievement and optimism which are the outcomes of our positive school culture. Our students and staff are always encouraged to strive to do their best both individually and as part of a team.

At Thornlands State School, we value our strong sense of community, our strong sense of belonging and commitment and our shared responsibility to ensure effective partnerships are built within and beyond our school. We provide a range of leadership opportunities for staff, students and parents as our highly valued partners in the learning process. We provide clear, timely and open communication with meaningful opportunities for active participation and consultation within our community. A range of whole school events provide a forum for sharing and celebrating our many successes. At Thornlands State School we embrace a culture of reflection, dialogue and feedback, where all opinions are valued and considered and are part of our continuously evolving, highly positive community spirit.

One of the strengths of our school is the involvement of a large number of parents and other community members who volunteer their time in a myriad of ways from assisting in the classrooms, to working in the tuckshop, to attending camps and excursions, to upgrading our gardens and in so many other ways. **Their contribution overall is invaluable and so we would like to say thank you.** On Thursday, 6th December at 9:30am we will be holding a morning tea to express our appreciation for the time and commitment of our volunteers. **Watch out for your personal invitation coming home soon.**

Please note – if you have a Prep aged student who will be attending Prep at Thornlands next year and you have not already done so, now is the time to get the enrolment process completed (even if you already have older children already attending our school). If you have not done so as yet, please contact the school Office ASAP for an interview time. This assists us greatly with our planning for next year.

Thanks for your ongoing support of our great school.

Regards

Robyn

Measles health alert

Queensland Health is concerned about the number of measles outbreaks in Queensland this year. Measles is a highly infectious disease that begins with symptoms such as fever, tiredness, cough,

runny nose and/or red inflamed eyes. Measles can lead to complications such as middle ear infections, pneumonia (lung infection) and encephalitis (inflammation of the brain).

Measles can spread very easily. Vaccination is the only way to prevent measles. Queensland Health encourages anyone who has not had two measles-containing vaccinations, or who is not sure about their vaccination status, to get vaccinated as soon as possible. The measles vaccine is free from your local doctor for anyone born from 1966 onwards.

If parents think their child might have measles, they are advised to keep them away from school and make an appointment with a doctor or phone 13 HEALTH (13 43 25 84) to organise medical assessment.

More information is available from http://access.health.qld.gov.au/hid/InfectionsandParasites/ViralInfections/measles_fs.asp

Health and Safety

In the interests of the health and safety of all our staff, students, parents and other visitors I ask you to be mindful of the following important matters:

- The playground equipment is not to be used before and after school, as its use is not supervised at those times.
- Smoking is not allowed on school grounds. Should you need to smoke, please ensure that you move away from gateways and other entry points where children and parents are likely to pass close by.
- Dogs are not allowed on the school grounds at any time.

Thank you in advance for your consideration with regards to these important matters.

Crimestoppers

You may have noticed a new Crimestoppers sign next to our gate on South Street. This has been provided by the local Crime Prevention branch of the Queensland Police. To assist them to promote Crime Stoppers I have included the link to Crime Stoppers Queensland below.

https://qld.crimestoppers.com.au/cs/queensland_home.jsp

Thanks for your ongoing support of our great school.

Regards

Robyn

Please click [here](#) for further information.

A reminder that for any of you who have young children turning five by June 30 2014, they are eligible to attend Prep next year. If you have friends or neighbours with children this age, please pass on this information to them also. For an enrolment form/ information contact our school office on 3821 8111.

2014 Booklists

Booklists and ordering details for 2014 are now available on the school website [or by clicking here](#). Students received a paper copy this week.

Curriculum Corner

Welcome to the end of Week 5 and the middle of Term 4! The term is in full swing with a range of exciting learning opportunities being undertaken in each and every classroom! Don't be alarmed if your child seems unusually emotional or tired at present. At this time of year, it is perfectly understandable. However there are a number of steps you can take to minimise the impact and strain on your child and ultimately your family.

1. **Try to stick to a routine as much as possible:** At this time of year there are a number of evening events and gatherings that interrupt our usual routines. On the days that aren't interrupted endeavour to ensure that your child eats well and gets plenty of rest.
2. **Ensure there is 'down time':** Just like all adults, your child also needs time to unwind and relax. Don't push them to engage in conversation if they don't seem to want to talk. Encourage them to go and do something fun or relaxing like riding a bike or reading a book and try again later.
3. **Consider reducing extra commitments or demands:** Unfortunately at this time of year the list of demands competing for time and attention can seem endless. If you are feeling overwhelmed then it is quite likely your child is also. It is not always possible to miss something, but for those events or sessions that aren't a high priority or can be postponed, consider rescheduling or cancelling.

Parent Information Sessions on Reading

Over the past fortnight we hosted two parent information sessions on reading and the ways you can support and extend your child at home. These workshops were very well attended and the feedback was extremely positive. Don't be dismayed if you were unable to attend as we will be holding these sessions again early next year. If there are other areas of the curriculum that you would be interested in learning more about, please don't hesitate to contact me. I am very keen to make these sessions relevant and purposeful to our school community and am more than happy to cater these presentations to areas that are identified as being of high need in our community.

Australian Curriculum

As you are hopefully aware, 2012 saw the implementation of the new Australian Curriculum English, Maths and Science. This year teachers began teaching Australian Curriculum History, and in 2014 Australian Curriculum Geography will be introduced. For the first time in Queensland Primary Schools, both History and Geography are being taught as individual subjects in a discipline based approach. Through these studies, it is intended students develop a holistic knowledge of the world and its peoples, as they come to understand and appreciate it from the different perspectives inherent in the disciplines. Strong continuities within these curriculums are developed progressively, from Prep to Year 10 to align with senior levels of schooling.

Geography is an extremely practical discipline made all the more engaging by the development of spatial technologies such as GPS, GIPS, 'World Wind' and 'Geoflight'*. Like History, Geography uses an inquiry approach to assist students to make meaning of their world. This basically means that it teaches students to ask and respond to questions, plan an inquiry, collect, evaluate, analyse and interpret information and suggest responses. Students will conduct fieldwork, map and interpret data and use spatial technologies. They will be expected to develop a range of skills and capabilities and extend their thinking through the use of information and communication technologies, identifying and appreciating different perspectives, engaging in cooperative learning scenarios and responding critically and creatively to information and problems posed.

Education Queensland is supporting schools and teachers with additional Curriculum into the Classroom (C2C) exemplar resources for History and Geography. Teachers at Thornlands State School will continue to engage in professional learning in order to effectively implement both of these areas.

*For more information on spatial technologies - click on the following link <http://www.learningplace.com.au/deliver/content.asp?pid=37645>

Enjoy the rest of the week!

Kind regards,

Kristy Warriner Head of Curriculum

Gardening Club

Where: Meet at the Administration Building to sign in.

When: Every Tuesday morning from 9am to 12pm.

I would like to take this opportunity to thank the small army of volunteers who, in such a short period of time have managed to transform the Year 2 and 3 eating area gardens into a beautiful space full of flowers and colour. A definite change from the barren brown dirt that was once there. We are enjoying the challenge and overwhelmed by the support that we have received from the parents, teachers and

children of our great school, as well as a number of local businesses who have graciously assisted our cause with donations in various forms.

I would like to thank the following businesses for their generous donations:

- Treescape Australasia Pty Ltd - garden mulch
- Permanent Pot Hole Solutions - asphalt
- Shamrock Plants- plants
- Plant Providers - plants

I would like to thank the following Thornlands State School parents for their generous donations:

- Nyree Gardener - rocks for garden edging
- Nicola Sweeney- empty plant pots
- Lisa Wilson - plants

An enormous thank you goes out to the following individuals who have supported our Gardening Club from inception and continue to work tirelessly to make this such a great success. Without you, this would never have come to fruition.

- Lisa Wilson
- Nyree Gardener
- Lyndee Purdew
- Sherrie McGowan
- Karen Venables
- Michelle
- Robyn Wilton - Thornlands State School - Principal
- Carey Haydon - Thornlands State School - Business Services Manager
- Norm - Thornlands State School - Groundsman
- Ross - Thornlands State School - Groundsman
- Sue - Thornlands State School - Admin Assistant
- Tracey - Thornlands State School - Admin Assistant
- Kate Walters - Thornlands State School - Music Teacher

Bunnings - Victoria Point have ever so kindly agreed to sponsor our Memorial Garden in memory of Ms Diane Fretter (our Year 2F teacher), who passed away suddenly on the 31st August, 2013. On Thursday 14 November, 2013, Bunnings - Victoria Point will be donating all of the plants needed to complete this garden. I would like to thank Bunnings - Victoria Point and in particular Heather Morrison for co-ordinating, advising and assisting us with our living tribute to Dianne.

We will be holding our Gardening Club on Thursday 14 November at 9am, instead of Tuesday 12 November, 2013 for this week only. This will enable us to plant and complete the Memorial Garden.

If you would like to assist us on Thursday 14 November or any of our regular Tuesday sessions, you will be warmly welcomed and appreciated.

We are currently asking for donations of:

- Potting Mix for cuttings
- Poly pipe and fittings (joiners, sprinkler heads, pipe clamps) for an irrigation system

For any further details regarding the Gardening Club, please contact Tanya on 0438445501 (please leave a message) or email jatmacptyltd@bigpond.com.

There's a little green thumb in us all.

Happy Gardening.

Tanya Macnamara

Seasons for Growth Grief Program-Learning to live with change and loss

Change and loss are issues that affect all of us at some stage in our lives. At Thornlands State School we recognise that when **changes occur in families through death, separation, divorce or related circumstances**, young people may benefit from learning how to manage these changes effectively. We are therefore offering a very successful education program called Seasons for Growth. We are planning to offer this program in Term One and Two 2014. This program is facilitated in small groups during class time, depending the age of the student (groups for 6-8 yrs, 9-12 yrs). The program will be run by jointly by Robyn Weber Guidance Officer and Angela Wolferstan Chaplain and is based on research which highlights the importance of social support and the need to practise new skills to cope effectively with change and loss. The program focuses on issues such as self-esteem, managing feelings, problem-solving, decision-making, effective communication and

support networks. There is no cost for the program at this stage. Materials are supplied. There are 10 weekly sessions. Sessions last 45-50 minutes.

If you think your child may benefit from Seasons for Growth program we would encourage you to attend a parent information session prior to commencing the program.

Thornlands State School is pleased to be able to offer this important program and we are confident that it will be a valuable learning experience for those who request to be involved. If you are able to attend this session or would like an alternative time for the session, please contact **Robyn Weber** at rwebe2@eq.edu.au or **Angela Wolferstan** at awolf36@eq.edu.au.

Library News

All Library books will be due back by 29 November, but if students would like to have some Library books over the holidays, they can sign up for a Holiday Reading Pack, which will include a collection of books to have for the duration of the Christmas holidays. To register, parents will need to sign a [Permission Form](#) (available from the Library, on the school website, or with this newsletter), and return it to the Library. Students will then choose a collection of books for their Holiday Reading Pack which can be picked up during the last week of term. It will then be returned when school resumes in 2014. Please note that numbers are limited per year level.

Book Club orders are due 22 November. A reminder that cash cannot be accepted.

Payment is online or by phone directly to Scholastic. Instructions are on the brochures distributed to students.

Brochures have been distributed to students, but they can also be downloaded on the [Scholastic website](#).

Borrow ebooks from Thornlands Library

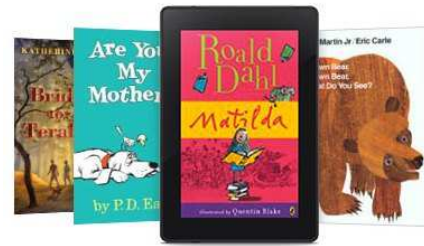

Don't forget that you can now borrow ebooks from our Library to read on a home computer (Mac or PC), or handheld device.

1. Go to <http://thornlands.wheelers.co/> and click on "Sign In"

2. Click on "Register"

3. Fill in the registration form online and your registration will be approved by email as soon as possible.

4. After your registration is complete, you will be able to start borrowing ebooks. More information about how to do this is at <http://thornlands.wheelers.co/help>.

News from Chappy Ange

The Redlands City Church Food Ministry provides for families in need, with affordable grocery items, fruit, vegies, bread and milk (when available). Operating from, and by, the Redlands City Church, the food bank is open every Wednesday from 9am – 2pm. For enquiries, please contact Redlands City Church on 3207 9154 or visit www.redlandcitychurch.com.

Busy Bugs Playgroup has vacancies! If you're interested in having a fun morning with your little one we are at the school hall on Tuesdays from 9am to 11am. Pop in and say hello or email Stacey at brendanandstacey@gmail.com

Breakfast Club

Thursday morning 7:45am in the hall.

All welcome!

Then there is after lunch ice block & snack sales 11.15-11.40am

Also after service clean-up & preparation for the next day 11.30-1.30pm

So you see you don't have to fit into a set regime just pick a time, day, week or month I'm sure our students will love you for it!

Without our valued volunteers there would be no Tuckshop at Thornlands. Morning Tea/ Lunch provided

Online Ordering

Our school has now introduced a great new online ordering system for the tuckshop called FlexiSchools. This system allows parents or students to place orders from home, work or school at any time typically up until just before school starts. The payment is also done online, so you no longer need to send cash or a paper order to school. As well as being convenient for parents, the online orders are much faster and easier for the canteen to process - so it makes everyone's life a little easier. FlexiSchools is well established and tested, operating in hundreds of schools across Australia.

Getting online is easy and only takes a second to register. Simply go to www.flexischools.com.au and click "Register Now". You will be sent an email with further instructions on how to complete the registration. Once registered, you can start placing orders immediately. If you have any questions, FlexiSchools provide a great help desk on 1300 361 769, or you can contact them via their website.

There are a variety of payment options supported, including Visa, Mastercard (credit and debit), Bank Transfer and Payclick. The system operates via a pre-paid account, so you don't need to scrounge

for coins in the morning and can easily budget for your canteen spending throughout the term. The system is now available, so we look forward to seeing your next order online! If you have any questions, please ask Louise for more information.

Uniform Shop News

Avoid the rush. Get in early for your new uniform. The uniform shop will be opening on Friday mornings from 8:30-9:30am. Anyone requiring uniforms at other times during the week may leave money and details in the P&C collection box in the office and the ladies will try to fill the order at their earliest convenience. The ladies may be contacted by contacting the school office or by emailing christine.toohill@bigpond.com

Uniform shop also open 23 & 24 January 2014 from 9am-12am
