

WELCOME

Dear Parents and Caregivers,

Wow! What a wonderful start to the year we have had here in 1K. The children have all begun their school year excited and very keen to learn. For those parents that I have not yet met, my name is Kay Kirchner. I am lucky enough to be your child's teacher this year. On Thursday's our class will have Elizabeth Baumgartner as their teacher.

Thank you for ensuring that your child has started Year One with all of the necessary resources to get them off to a flying start. If there are any items that you know that your child has still not brought in from the booklist, could you please ensure that you send them in as soon as possible.

Year 1 is such an exciting year when you will see your child develop rapidly as they learn many new concepts and skills in all subject areas. We are looking forward to building strong relationships with you all to support your child during their time in Year One.
