

What is a Student Dress Code?

Our student dress code is an agreed standard of dress for students who attend our school. The uniform for students was developed through a thorough consultation process with parents, caregivers, staff and the wider community. The dress code also covers other aspects of personal presentation of students.

Statement of Intent

The student dress code applies to students every day including:

- attending or representing our school
- travelling to and from school
- engaging in school activities out of school hours including school excursions

Aims of the Code

Our uniform aims to contribute to a safe, disciplined and supportive learning environment through:

- ready identification of students and non-students at school
- fostering a strong sense of belonging
- developing a mutual respect among students by minimising visible evidence of economic or social difference
- being 'sun smart'
- being respectful of cultural requirements

Relaxation of the Code

From time to time, the school will organise free dress days for students. These activities are usually coordinated by the student council, class/ year level or the P&C as an awareness or fund-raising activity. On these occasions, students are permitted to wear acceptable & reasonable clothing instead of their uniform. Examples of activities include:

- free dress days, school sports days, discos and other functions
- camps or other excursions that do not require school uniform to be worn
- inappropriate clothing, jewellery or accessories cannot be worn at any time, this applies to:
 - any clothing, accessories, jewellery or apparel worn by students that is deemed to be offensive, unsafe or likely to disrupt normal school management
- clothing must be sun smart and cover the shoulders and torso and be at least mid-thigh length for sun safety requirements
- school sports shirt may be worn on Wednesdays by all students
- senior shirts may be worn by Year 6 students only as an alternative to the official school polo (except on formal occasions or assemblies e.g.:
 - ANZAC Day, school photos, badge presentation assemblies or when attending off-site events where Thornlands State School official uniform shirt is required
- plain black bike pants or similar may be worn when competing in athletic events

Special Circumstances

Our student dress code incorporates strategies to accommodate special needs and circumstances of students. These arrangements are negotiated between the parent/caregiver and the principal. Examples of special circumstances may include:

- student's medical conditions (allergies etc) or physical attributes or requirements
- student's cultural beliefs and requirements
- economic hardship can be discussed with the principal

School Hats

Our school has introduced a 'sun smart' hat for all students. This hat is available for purchase from the uniform shop. Wearing of the Thornlands State School hat is compulsory and is considered part of the uniform which students are expected to have at school each day.

Jewellery, Body Piercing and Markings

Our school has set standards on jewellery that is acceptable for students to wear. This includes:

- earrings; studs & sleepers only; max 2 per earlobe; earrings that hang or can get caught are not safe for school activities and cannot be worn
- all jewellery is to be removed for organized sports
- watch
- fingernails can be coated with clear varnish only; no acrylic nails permitted

Special consideration for specific pieces of jewellery (based on religious or cultural grounds) can be sought by discussing your needs with the principal. The following items of jewellery or markings are not acceptable for this school. They include:

- facial or visible body piercings including nose studs or sleepers

The school office also maintains an emergency supply of student uniforms. These are not for sale to families but are used to assist students when necessary. Donations of uniform garments are gratefully accepted.

- families will be notified daily via email or SMS where their child does not meet requirements explained in the student dress code
- on cooler days, any student who is wearing a non-uniform jumper will not be asked to remove it, but may be offered a clean replacement jumper/jacket if available

Community Endorsement of the Code

The P&C Association of Thornlands State School resolves that it supports this student dress code. The P&C Association believes that the student dress code promotes the objectives of the Education (General Provisions) Act 2006 through providing a safe and supportive teaching and learning environment by:

- providing ready identification of students and non-students at school
- eliminating distraction of competing in dress and fashion at school and fostering mutual respect among students through minimizing visible evidence of economic or social difference
- fostering a strong sense of belonging and school spirit
