Thornlands State School COVID 'Normal' Plan 2021

- At all times, ['COVID normal' health practices](#) apply to all adults on school sites, including physical distancing between adults, not exceeding occupant density limits for rooms, staying home if you are sick and regular COVID-safe hygiene measures.
- We encourage all parents to continue to 'Kiss & Go' as this minimises social distancing measures required at school.
- As in previous years, all students in Year 1-6 are required to proceed to A Block on arrival at school in the morning. (Students should preferably arrive at school between 8:30am and 8:45am)
- Please be aware, if you do come into the school grounds at any time, that you are not to congregate anywhere, particularly outside classrooms.
- You are required to socially distance at all times, and to safeguard occupancy density limits, parents are not to enter classrooms.
- The preferred method to communicate with the class teacher is via email. Please note, teachers are unavailable to speak to parents before or after school without an appointment.
- School assemblies will resume as normal for staff and students every Monday afternoon at 2:30pm commencing on Monday 2 February. Parents will be able to attend assemblies by invitation when your child is receiving an award. Please note you will need to socially distance and remain seated in the allocated seating whilst in attendance.
- School events, excursions, camps and the use of playground equipment will resume as normal in a COVID safe manner.
- We encourage all students to continue to bring their individual water bottles to school. Bubblers will be available to refill students' water bottles during the school day.
- Parents' and carers' contact details are recorded in OneSchool and can be used for contact tracing by Queensland Health if needed. Please ensure your contact details are up to date on our school system. All other visitors need to adhere to COVID school visitor and sign in arrangements.
